What we do for your funeral home

01 Ground transport to Mexico

We pick up at your funeral home (distance limits apply) or receive the remains at San Antonio International Airport (SAT), cross the border and deliver door to door.

02 Air cargo

To Mexico, Central and South America, booked and tendered directly as a TSA Known Shipper. Farther away? Ship to SAT and we continue by ground.

03 Documents and consulate

We do the notarized Spanish translations, apostilles and the full consular process (consular seals) for you, with the right consulate.

04 Cremated remains

Shipping of urns by ground or air, with the cremation certificate and consular requirements for each country.

Why funeral homes work with us

- **Updates at every step.** Email at pickup, customs, arrival in Mexico, departure to destination and delivery.
- **One point of contact.** The same team from the first call to delivery.
- **Families cared for.** We can speak with the family in Spanish on your behalf.
- **Your own online portal.** Progress, documents and payments for every transfer, in real time.
- **Simple billing.** An invoice for every transfer; card, check or bank transfer.

From your call to delivery

01

Call or request online

Tell us the origin, destination and timing. We answer 24/7.

02

Review and written quote

We review the documents with you and confirm the quote in writing before we start.

03

Pickup or airport receipt

At your funeral home (distance limits apply) or at San Antonio airport (SAT). You get an email and can follow it in your portal.

04

Delivery and confirmation

We deliver to the family or receiving funeral home and confirm receipt.

What we need from your funeral home

Ground transfer to Mexico

- Certified, apostilled death certificate
- Burial-transit permit
- Embalming certificate
- Non-contagious disease letter (we need it to ship)
- Birth certificate and ID of the deceased
- Receiving funeral home in Mexico
- **Notarized Spanish translations** — we can do them
- **Consular process and seals** — we can handle it

Air transfer

- The same documents as ground, for Mexico, Central and South America
- Casket with air tray or combo
- Who receives at the destination airport
- We handle the air waybill and the airline

Cremated remains

- Certified death certificate
- Cremation certificate
- Sealed urn inside a rigid box
- ID of the deceased

Central and South America use the same documents; some countries do not require consular inspection. We can do the translations and the consular process for you, and if anything is missing, we help you get it.

LET'S WORK TOGETHER

Send us your next transfer to Mexico, Central or South America.

Ask for our rates or for access to the funeral home portal. We answer 24/7.
